

To gain a better understanding of the Bible's grand story, it's helpful to read through entire chapters and books of Scripture like you would any other work of literature. Included below is a plan to help you get started. It only takes about fifteen minutes a day or two hours a week of reading to follow this plan. Don't limit yourself to only one block a day – read ahead if you want. And if you get behind, don't give up! Just start again where you last stopped. Blocks of reading are provided according to book and chapter. To locate a book, use the Table of Contents at the beginning of your Bible.
